

EVIDENCE GUIDE

These specific guidelines to submit your record documents that must be submitted in the prescribed format.

To become a World Records title holder is not an easy task. We require several evidences to verify your achievement.

In this document provided here detailed guidelines to your record evidence submission required to verify your attempt. Please read and understood all requirements regarding your record evidence submitted before the attempt and take printouts of all prescribed formats to prepare all necessary documents as per the record specific guidelines provided along with this document.

"Unique World Records" exists for a noble cause. The guidelines provided here is for reaching out to Potential people for encouraging them to display their hidden talent globally. Unique World Records is not obligated to designate world record status to any submission as the decision is based on their belief in supporting evidence and /or relevance of their claim. Unique World Records policy try to find records that are reproducible, breakable and based on skill. Freak, strange and unusual anomalies are not world records. Stunts involving luck or uncontrolled danger should not be submitted.

You must prove that you have successfully undertaken/attempted the record to become a Unique World Records holder; you must submit the evidence in the prescribed manner, to enable UWR to verify your achievement. Several sections of evidence are required depending on the applied record category, this document will guide you to submit your evidence efficiently.

Some tips for uploading evidence:

- If the UWR is unable to understand your submission, you may be directed to organize the documents alternately and resubmit.
- Photos MUST be MEANING FULLY labelled, clearly indicating what is shown in that photo.
- Use file names which indicate the content. , e.g. Covering Letter, Witness Statement. etc.
- Similar documents should be assembled where possible like Statements of Curators can be uploaded as a single file.

EVIDENCE REQUIRED FOR UNIQUE WORLD RECORDS TITLES

The enlisted evidence is required for Unique World Records attempts and please ensure that you have submitted evidence required properly to avoid any hassles.

1.) COVERING LETTER

The Covering Letter must provide a clear overview and detailed definition of your record attempt. The Covering Letter act as a road map for our team to evaluate your record attempt application.

EVIDENCE GUIDE

- Prescribed Format of covering letter is attached to the email which contains this document.

The Covering Letter must include the following:

- **Who** should be listed in our database as the record holder, including complete address?
- **What** was the final measurement of the record attempt?
- **When** and **where** the attempt took place, including date, time, venue, city, state and country.
- **How** the record was measured and achieved.
- A **list** of the items of evidence provided by you.

2.) STATEMENT OF TWO WITNESSES

Witness statements from independent individuals verify relevant details of a record attempt where Unique World Records Team is not present, they are tasked to confirming whether all Unique World Records guidelines have been adhered to, and providing a detailed account of exactly what took place.

We can't approve your record attempt without this verification,

In certain cases, especially in the case of certain medical records. It may not be possible for witnesses to be completely independent, Please contact support or refer to your record Specific Guidelines to CHECK if this applies to your record attempt. Independent witness can be defined as an individual having no affiliation/relation to the individual/group attempting the record/ organizers, participants, venue, or any persons involved directly or indirectly, they must not have anything to gain from the result of the attempt.

EVIDENCE GUIDE

The statements must include the following

- Complete contact details of the witnesses must be provided.
- Simply final measurement is not sufficient. All details including how the record was measured, who performed the measurement, and judgment of the fact that guidelines were understood and adhered to, and notes /remarks, if any.
- Witnesses are hereby directed that the Statements must be completed in their own words, by themselves only.
- Pan Card to Verify Signatures and Valid ID and Address Proof like Aadhaar Card, Voter ID and Driving License etc. should be submitted for each witness.

Who can act as a valid witness?

Unique World Records adjudicators (this is a paid service. Visit our Website www.uniqueworldrecords.com for more information) Applicants can invite **Official**

Unique World Records Adjudicator to their record-breaking/making event for on the site verification and certification. For live events, our representative will provide on-site support through the entire event according to the official guidelines. Using this service applicant can get instant acceptance if their attempt got successful or rejection if not successful.

- **Professionals from the community**—EXAMPLE OF WITNESS—Advocates, government officials, accountants, police/army officers, and media editors/reporters etc. they must be independent and the sole purpose of their presence at the event is to act as a witness.
- **Audit company or professional firm**—For mass participation records events having greater than 8,000 participants.

How many witness statements are required?

EVIDENCE GUIDE

If Official UWR Judge is not at present at the event then at least, two witness statements will be required for your record attempt. Please refer to your record Specific Guidelines to determine the requirement of additional witnesses in certain cases. Some examples of record attempts requiring additional witnesses are as follows, Attempt of more than 4 hours duration. (At least two witnesses in every shift must be present) it is desired to have multiple witnesses for shift wise monitoring in the event of long period attempts. Long journeys and expeditions etc. For instance, the fastest place-to-place or longest journey by a particular transport mode. **Such records require two witnesses to be present at the start and the finish of the journey.**

NOTE-Format of Witness Statements is attached to the email which contains this document.

3.) PHOTOGRAPHIC EVIDENCE

Photographic evidence

UWR consider Photographs as compulsory evidence for all record attempts, Interesting, high-quality photographs stand a much better chance of appearing in the Unique World Records book or our website.

The photographs must include

The significant moments of the attempt must be duly photographed. Showing each stage of your record attempt; preparation, attempt and results. As well as key moments such as the weighing of ingredients involved, the presence of your witnesses, etc.

Your photographs must Show multiplicity (from various angles and positions, different stages of the record attempt such as start, during, end), Show a sense of scale (a large object or large gathering of people) and must Capture the real action (participants in action and in the act of undertaking the attempt.), The photographs are the primary

EVIDENCE GUIDE

source of verification hence be captured with the utmost care, concerning above-said parameters.

Photographic evidence must be submitted as

Photographs must be clearly and logically labelled to describe what the images show, you can mention separately about uploaded images using an index.

Geo Tagged photography is desired, in certain cases only geotagged photographs are considered valid for submission as evidence, please refer to your Record Specific Guidelines.

4.) VIDEO GRAPHIC EVIDENCE

Complete and raw video footage is vital for true adjudication and verification of your record attempt. It is mandatory evidence.

The video graphic evidence must include

- The entire record attempt video must be showing and focusing clearly on the record attempt from start to finish, regardless of the duration of attempt, The camera must be in such a position to enhance our team`s ability to accurately observe the actual performance. The video must clearly show the measurement of the record and all parts of attempt relevant moments as per guidelines.
 - A standby camera for filming every moment of ‘longest marathon’ record attempts. So that it can be ensured that at least one camera is video graphing the event at all points of time. As we understand there maybe need to change the batteries etc. at times.

EVIDENCE GUIDE

- You must provide a list of times of the occurrences concerning the video evidence for efficient verification. Misrepresentation and willful concealment will lead to disqualification of your attempt
- All parts of the attempt relevant to the record guidelines must be video graphed. 1 Minute Promo Video, and 1 Hour Short Video of the entire event is required.
- A brief introduction to the attempt at the beginning of the footage must be provided. (Name, venue, description of record etc.)

Acceptable formats

Any video format which can be played on a Personal Computer, e.g. mp4, avi.

5.) LOG BOOKS (FOR marathon record attempts)

Attempt Logbook

The logbook is an essential part of the evidence for almost all records but record attempts of more than one hour time durations (including journeys and expeditions, which take a considerable time like months or years and so on). For such record attempts, details of completed activity, rest breaks and what is achieved at what point are required to be accurately entered in the logbook, to review concerning the video footage submitted as evidence. the individual, team and/or support teams are responsible for maintaining the logbook throughout the attempt, kindly refer to your record specific guidelines for certain cases where independent witnesses are responsible for maintaining the logbooks.

What must the logbook include?

- Hourly entries must be made to logbook about the time of injury, weather, delays, equipment breakdown or any unexpected disturbances/occurrences along with an

EVIDENCE GUIDE

account of what has been achieved during this period. For marathon record attempts

- Logbooks must include start and stop times for activity and rest breaks. Refer to record **Specific Guidelines** for Any other requirements.

Guests Log Book.

UWR requires Visitors/Media/Guests/Witness Log Books on a compulsory basis for every record evidence. This logbook must include Name, Designation, Contact Details and remarks if any along with Signatures.

NOTE-Format of Logbook is attached to the email which contains this document.

6.) STATEMENTS OF TIMEKEEPER (FOR time-dependent /oriented records)

Time- based and duration based records must have at least two timekeepers and for specific period performances (e.g. Most in one minute). Two timekeepers presence is essential apart from independent witnesses.), UWR may consider your request in some cases, depending upon your record attempt, for special and prior permission to be granted for the witnesses to act as timekeeper as well.

Role and Qualification of a timekeeper

An experienced timekeeper from the local sports/athletics club. Referees, coaches and Physical Education teachers etc. Timekeeper plays a crucial role, in the time based or time-dependent records. Timekeeper ensures that all time-related aspects of a record are recorded accurately. Accurate timekeeping is essential in such records; the witnesses cannot do this job as they must concentrate on the other parameters of the attempt. Two timekeepers with stopwatches accurate to 0.01 seconds are required for accurate timekeeping. The timekeepers must ensure a clear start and finish signal to the person

EVIDENCE GUIDE

attempting the record and the average of both times must be taken as the official time in case two different readings.

The statements (written statement) must include

Record title, readings, results and time relevant information (details of the time measurement method, date and location etc.) of the record being attempted, full name and contact details of the timekeepers along with details regarding their expertise in timekeeping. Ensure that the required information is furnished completely, willful concealment and misrepresentation may lead to outright rejection. The applicants having prior permission from UWR for independent witness acting, as a timekeeper. One statement including the details required for both the independent witness statement and the timekeeper statement must be submitted in such cases.

If you are not sure yet, **Contact Support.**

NOTE-Format of Statements of Time Keeper is attached to the email which contains this document.

7.) STATEMENTS OF SURVEYOR (FOR physical dimensions ORIENTED records)

ALL Records involving physical dimensions of your construction like, large structures, articles, sculpture, articles chains and mosaics require qualified Surveyor statement, who must be present to take physical dimensions in the presence of two independent witnesses.

Surveyor Qualification

A Government or certified land surveyor (serving or retired), an architect or a professor/lecturer of land surveying (serving or retired), construction industry expert.

EVIDENCE GUIDE

The statements must include

- Name, qualification proof, contact details, their role in the event, the brief information of their expertise and, Confirmation of measurements taken and all other details of the event (location, date, time, measurement). With the definition of the method used to establish the final results

Please **Contact Support**, If you are not sure yet, how to submit a surveyor's statement.

8.) STATEMENTS OF CURATOR (only FOR Mass Participation records)

Independent curators are required for mass participation record attempts involving active participation by participants being held at controlled, monitored and ticketed venues. Curators supervise predetermined groups of participants, to monitor activity and desired participation by all attendees taking part in the record attempt. Curators measure the active participants' count who completed the activity following the guidelines.

The statement must include

- Full contact details of each CURATOR, Dates, time, counting method, and the number of participants in his/her group with the number of participants disqualified and reasons thereof, plus Confirmation about the guidelines.

Once the attempt is completed curator statements are instantly provided to the independent witnesses, independent witnesses calculate the final total based on Curator statements expressing the number of participants disqualified by Curators.

Please **Contact Support**, If you are not sure yet, how to submit a Curator's statement.

EVIDENCE GUIDE

NOTE-Format of Statements of Curator is attached to the email which contains this document.

9.) STATEMENTS OF SPECIALIST / MEDICAL PROFESSIONAL / VETERINARY PHYSICIAN WITNESS. (FOR technical, medical and animal records)

Though it may not be possible to get established experts in every field for a wide variety of record categories, Even then it is advised to engage independent witnesses, experts in their fields and possess the expertise of given field .for instance some records may require a statement to be submitted from a medical professional and the other may need a veterinary physician statement for all of our animal-related records.

However, they need to ensure that the record **Specific Guidelines are adhered to and** confirm that UWR guidelines have been adhered to.

Specialist /medical professional/veterinary physician Witness. A specialist independent witness is required to monitor and submits a witness statement as part of the evidence in certain cases or when UWR specifically ask for such a witness. UWR specify the need of such witness in your record **Specific Guidelines**, depending on the technical aspects of your record attempt.

UWR reserves all rights for grant of permission for replacement of either only one or both regular independent witness(s) with the specialist independent witness(s), The specialist witness must also be independent as he/she is acting in place of one of your standard independent witnesses.

There may be certain instances of record attempts for which collection all of the required evidence is not possible; in such circumstances, you **MUST** contact support before

EVIDENCE GUIDE

making such attempt to determine possibilities to proceed with your application without the required evidence.

For all records based on human anatomical measurements, medical history of an individual, mass participation medical events etc. Medical professional act as a specialist witness. They cannot be replaced by a regular independent witness, similarly, veterinary physicians are mandatory for record attempts based on animal sizes and ages apart from some new ideas.

The statement must include.

- All the same information as an independent witness (Name, contact details, their role in the event, along with their expertise in the field, proof of qualifications (business card etc.), Confirmation of all aspects of the event – location, date, time, measurement (including technical aspects.)

YOUR RECORD SPECIFIC EVIDENCE NEEDS ARE ENLISTED IN RECORD SPECIFIC GUIDELINES

Please contact support in event of any problem regarding UWR demand for any special evidence requirements.

NOTE-list given above is non-exhaustive and you can include any additional documentation that may be helpful for your application verification; MARK such additional evidence as MISCELLANEOUS EVIDENCE.

ABSENCE OF REQUIRED EVIDENCE DOCUMENTATION LEADS TO DELAY OF YOUR OUTCOME, ANY TAMPERING OF EVIDENCE WILL AMOUNT TO DISQUALIFICATION.
